I think Miranda showed good sportsmanship because she appreciated the compliments on her good goal, however she complimented Conor for making the play. She also had a lot of team spirit.

Yes, I do think Miranda has good sportsmanship. I think she does because in the story it said the coach said Miranda you really used your head. Then she said it was Conor who used his head. Then Conor and Miranda high-fived each other.

Miranda showed good sportsmanship by not taking all of the credit, and not bragging.
