

FAEA Formula

80/120

STARS average x FAEA MEM 1.0 x 0.0500 x T & E index x unit value

Project Directors will need to calculate  
the amount they will receive:

- 1) STARS average is the average of School Year 2010/2011's 80 and 120 count;
- 2) FAEA MEM is 1.0
- 3) 0.0500 is the multiplier from FAEA statute
- 3) T & E index comes from the district
- 4) **Unit value--operational- 11-12 ---- \$3,585.97 11000 operational fund**
