Presentation
Assigned Time
and Room
Assignment

- The public is invited to attend the presentations as space is available.
- This is professional development training for the teachers reviewing the instructional materials.
- Each presenter is allowed fifteen minutes. There will be a 5 minute break between each session to set up the next power point presentation.
- The presenter must follow the Instructional Material Presentation requirements. (See attached)
- Questions of the publishers regarding “free” materials, free professional development and pricing are not allowed during the presentations.
- Please wear a name tag provided for you by the Instructional Material Bureau.

Thank you for participating with us in this valuable opportunity.
