

New Mexico School Bus Safety Program “Where Safety Comes First”

May 12, 2011

To Whom It May Concern:

The New Mexico School Bus Safety Program (NMSBSP) will be hosting the Safety Competition on Friday, June 10, 2011. It will be held in Albuquerque at the Student Transportation Office just west of Milne Stadium @ 10:00am. The winner will go on to the National level, which is held in Baltimore, Maryland in July.

As you all know, all of us have been affected by the poor economy, so after discussing the issue we decided that this year ONLY, the state competition will be a written test only.

Every district in the state of New Mexico can enter a contestant for the School Bus Driver Safety Competition. The district doesn't necessarily have to hold a competition. A driver can represent their district by one of the following:

- District Competition
- Regional Competition (one of each district can compete at state)
- Test only
- Draw a name, or
- Appoint a driver

You can find the registration form as well as a competition book for your contestant on our website.

If you have any questions or concerns, please visit our website at www.nmsbsp.org or email us at nmsbsp@comcast.net.

Thank you,
