

ASSESSMENT ACCOMMODATIONS REVIEW AND REVISION  
INDICATOR C (4) MILESTONE 5

Completion Date - 5/15/2010, Evaluate existing psychometric and accommodations data on reliability and dimensionality.

The PED has completed summary descriptive analyses on (1) primary disabilities of public school students in New Mexico and (2) assessment accommodations administered for the spring 2009 Standards Based Assessments in grades 3 through 8 and 11. These analyses provide information about the alignment between assessment accommodations and primary disabilities.

The PED is evaluating this data for revision of its accommodations policy.
