

BILINGUAL

- ✓ Beginning teachers adding the endorsement to an initial license must satisfy the requirements for the license which include 24-36 semester hours in bilingual education and pass Preuba.

- ✓ Teachers seeking to add the endorsement to an existing NM teaching license of any level can either:
 - Pass Prueba, Four Skills Exam or comparable exam and complete 12 semester hours in the teaching of bilingual education that address competencies in English language development, instructional methodology, community/family involvement and assessment.

OR

- Pass Prueba, have the TESOL endorsement and earn at least 6 semester hours in the teaching of bilingual education that address competencies in English language development, instructional methodology, community/family involvement and assessment.

OR

- Be certified by the National Board for Professional Teaching Standards in bilingual education.

NOTE: A bilingual endorsement on a secondary or pre k-12 teaching license must have another endorsement in a subject matter area. The bilingual endorsement authorizes you to teach a subject in another language only.
