

Direct Certification Directions

1. Download the latest Filezilla Client (based on your OS platform) to your desktop.
 - a. Filezilla can be downloaded from <http://filezilla-project.org/>
 - b. Filezilla is recommended by PED Information Systems as it is easily compatible with PED's secure FTP
2. Install the Filezilla Client using default settings
3. Using the screen below enter the following information:
 - a. Host - 164.64.166.7
 - b. Username - snapdistrict
 - c. Password – Please call Barbara Vigil at (505) 827-1821
 - d. Port – 990
 - e. Click on Quickconnect

4. You will then see the PED Secure SSL certificate (below)
 - a. Click on Always Accept to always allow the connection to PED

5. You will then be able to download your districts password protected Excel document
6. Please follow these directions
 - a. In the Local Site: determine the location of the file download (My documents, Desktop, ie)
 - b. Right click on your district file to download
 - c. Left click on Download to begin the process
7. The file will be downloaded to the location you chose in your Local Site
