Please be advised that [FNS Instruction 113-1](#) requires that the "And Justice for All" posters be displayed in a specific size: 11" width x 17" height. This size requirement relates to a problem where the text of the poster becomes small and almost unreadable when the "And Justice for All" poster is printed in a typical printer's print size of 8.5" x 11". Very few organizations have printers capable of printing the required size for displaying the posters. The Internet copies of the "And Justice for All" posters are shared for the purpose of reference rather than for printing and display.
