Headphones/earphones are required for grades 4-5 elementary EoCs.
Additional Guidance
It is recommended that schools upgrade from older operating systems and lower memory levels to the minimum specifications as soon as possible.

Tablets	
	Minimum Specifications
Operating System: Android	Nexus (5.1.1) Samsung Pro (4.4)
Operating System: IOS	iPad iOS 9
Operating System: Chromebooks	Laptop form factor with 2 GB RAM and 11 inch screen
Memory	2GB
Connectivity	Any wired or wireless connection, 50 kilobits per second (kbps)/student
Screen Size	9.7 inch
Screen Resolution	1024 X 768

Input Device Requirements
Keyboard/Mouse/Touchpad - It is recommend that schools be prepared to provide external keyboards for test takers using tablets so as not to limit or obscure the view of test item content and related functionalities when text input is required. External keyboards must allow students to enter letters, numbers, and symbols and shift, tab, return, and backspace. Tablet touch screen interfaces can be used for student interactions with the assessments other than text input, including to control an onscreen cursor to point, click, drag, and select an area.
Headphones/earphones are required for grades 4-5 elementary EoCs.
Additional Guidance
It is recommended that schools upgrade from older operating systems and lower memory levels to the minimum specifications as soon as possible.
