Secretary of Education Commends Mesa del Sol for Delaying Request for New School District in Albuquerque

(Santa Fe, NM) Secretary of Education Veronica C. García today commended the president of Mesa del Sol for delaying the request to create a new school district on Albuquerque's south mesa.

Mesa del Sol President Michael D. Daly notified Secretary García of the decision by letter this morning. Mesa del Sol had formally requested in December that Secretary García consider the creation of a new school district.

"Mesa del Sol and Michael Daly have exercised prudence and good judgment to delay this request for the time being," Secretary García said. "Mesa del Sol is a visionary development project with tremendous potential for the city of Albuquerque and the state of New Mexico, and I commend Mr. Daly for exercising caution. I look forward to working with him in the future."
