Describe the process used to get input from LEAs regarding the distribution of amounts among activities described in the Excel Interactive Spreadsheet to meet State priorities. (20 U.S.C. 1411(e)(5)(B); 34 CFR §300.704)

The Special Education Bureau (SEB) of the New Mexico Public Education Department (NMPED) conducts statewide meetings three times per year with special education directors, REC directors and charter Schools. One purpose of these meetings is to collect input regarding the distribution of federal funds. The New Mexico State IDEA Advisory Panel has several members who are LEA representatives, and panel meetings provide additional opportunities for LEAs to offer input on the distribution of federal resources. On February 22, 2008 a broad stakeholder’s meeting was held in which parents, RECs, charter schools, LEAs, contractors and higher education representatives attended to provide input on the distribution of funds for state level priorities. The state application was posted on the NMPED website prior to submittal to OSEP and gave yet another opportunity for LEAs to provide input on the distribution of funds for state level priorities. LEAs, RECs, Charter Schools and other stakeholders were sent an e-mail alerting them to the posting and the comment period.

Section IV

State Administration

Section 608(a) of the IDEA requires each State that receives funds under this title to:

- (1) ensure that any State rules, regulations, and policies relating to this title conform to the purposes of this title;
- (2) identify in writing to local educational agencies located in the State and the Secretary any such rule, regulation, or policy as a State-imposed requirement that is not required by this title and Federal regulations; and
- (3) minimize the number of rules, regulations, and policies to which the local educational agencies and schools located in the State are subject under this title.

States must attach to this application a list identifying any rule, regulation, or policy that is State-imposed (not required by IDEA or Federal regulations). If there are no such State-imposed rules, regulations, or policies, please so indicate. In addition, the State is required to inform local education agencies in writing of such State-imposed rules, regulation or policy. (20 U.S.C. 1407(a); 34 CFR §300.199)
