

# K3+ / StartSmart

## ◎ TEMPLATES

- Programs Fact

## ◎ Key Fields

- Programs Code (Field #5)
  - SS=STARTSMART
- Participation Info Code (Field #18)
  - 15=Control Group for StartSmart K3+,
  - 16=Experimental Group for StartSmart K3+

# K3+ / StartSmart

## ◎ Purpose:

- To track participation in the U.S. Dept. of Ed. Funded i3 StartSmart K3+ Experimental Research Project to assess the effectiveness of New Mexico's K3+ Program

## ◎ Business Rules

- Indicates participation in the StartSmart Experimental K3+ Program; other K3+ students should be indicated using the regular K3+ Program Code

# K3+ / StartSmart

## ◎ TEMPLATES

- Student Summary Attendance

## ◎ Purpose:

- To describe daily attendance for individual K-3 Plus students during the 25 days during the summer

## ◎ Business Rules

- Report number of days that student attended during the 25 day K-3 Plus calendar
- If the student shows up at least one day during the summer then this template should be completed

# K3+ / StartSmart

## ◎ TEMPLATES

- Course
- Course Instructor
- Student Course Enrollment
- Student

## ◎ Purpose:

- To track K3+ participants and tie them to teachers and grades
- To determine whether K3+ participants retain the same instructors from the summer session into the following school year

# K3+ / StartSmart

## © Business Rules

- Course code for K-3 Plus along unique section code for each class taught by teachers
  - A new K3+ course code will be developed
  - Section codes determined by head teacher so for K-3 teachers that have students all day there is one section code; for split days such as dual language teachers and classrooms then two section codes--one for each teacher is assigned
- All Summer School K3+ participants must be submitted in these templates
